Cloudbeds

Powerful. Intuitive. Unified.
One platform to run your property.

Tens of thousands of lodging businesses worldwide use the Cloudbeds Platform to grow reservations and revenue, streamline operations, and enable memorable guest experiences.

The platform that powers hospitality

No matter what type of property you run, a successful lodging business requires the right tools to compete effectively online, optimize operational costs, and meet the high expectations of the digitally connected guest.

Simplify reservations and distribution for you and your staff

Get more done with less clicks. Easily manage reservations, channels, inventory, housekeeping, finances, and more from one intuitive platform trusted by thousands of independent lodging businesses worldwide.

Engage guests to boost satisfaction and ratings

Improve staff efficiency in a tight labor market. Automate reservations, distribution, and payments; train and upskill your employees quickly; and work on a cloud platform that's easy to use and accessible from anywhere online.

Drive more reservations and revenue

Meet your guests where they are. Manage all of your channels from one place with access to the most popular distribution sites including Booking.com, Airbnb, and Expedia.

Automate to save on time and costs

Engage and delight guests at every step of the journey. Enhance guest communication from discovery to post-stay, create a frictionless check-in experience, and personalize offerings and upsells at the moment they're ready to buy.
